ABOUT US...

ZACH WILSON, Owner

Wow, it's been over 40 years now since my father started this business and I couldn't be happier now in my 15th year as the owner. I love having a family owned company that still remembers its roots as it grows. We may do thousands of events for millions of people, but each one feels special, like it's a party for my friends and family.

Every year, we increase the number of products and services we offer so that our customers are guaranteed one-of-a-kind events year after year. If you've worked with us before, you know what I am talking about. If not, then this catalog will give you a good idea. We have over 250 rental items and nearly 500 types of products and services we can offer. Anytime you have a group gather, and you need some FUN, we are the place to call. We provide entertainment for Company Picnics, Church Festivals, School Carnivals, Birthday Parties, Family Reunions, Grand Openings, and at all types of events, all over Missouri, Kansas, as well as some of Illinois and Oklahoma... and further if you need it!

You don't have to worry when you work with Fun Services. Not only do we pride ourselves in our impeccable safety record, but we also carry full liability insurance so that your guests can feel safe at our events. If you need to be listed as an additionally insured person or company, we can take care of that for you.

We guarantee our products and services. Our games are high quality and are always kept clean and sanitized so that you look like an event planning superstar to your guests! If you need entertainment at your next event, then take a look through this website, then give us a call and one of our Entertainment Specialists will help you put on a spectacular event! We look forward to helping make your next event successful, memorable, and FUN!

(and the faces of Fun Services!)

ZACH WILSON

Zach, the company's President, CEO, and all around swell guy, has been in this business his whole life... literally. Zach's father, Tom Wilson started Fun Services of KC in 1974. His parents used to take him to school carnivals and put him in a crib while they set up. Entertainment is in his blood. Zach is a father of four and loves to entertain kids all over the area. Unlike a lot of owners, Zach still goes out and delivers events on a weekly basis. He likes to stay in direct contact with our customers. This level of customer service helped win him a "25 Under 25" award and Kansas City BUSINESS OF THE YEAR!

ANGELA OLINGER

Angela has been with Fun Services since 2004. She is the rock of the sales team. Aside from specializing in planning fun for everyone, she helps run the office by answering phones, taking general questions from all employees, and most importantly, coming up with lunch ideas. As one of the scarce women in the office, she loves nothing more than eating bacon on Mondays, showing the guys how its done, and helping put together some of the area's most FUN events. Call her for a good time!

MIKE WATKINS

Mike is the perfectionist of Fun Services. He pays attention to every detail. Although if you were to meet him, you would think he's the class clown. Mike's been in the Entertainment Business for 20 years now and has done countless events. Whether he's DJing, running a casino night, or being a part of a school carnival, Mike's goal is to help make Fun Services the premier event planning company in the region... and he'll put his life's work into doing this. Mike has two daughters and loves soccer in his free time - of which there isn't much.

MIKE PFANNENSTIEL

The newest member of the team, Mike Pfannenstiel - affectionately known as Mike P - originally started as a warehouse driver setting up and working events. His great attitude and excellent customer service made him so popular among customers and his co-workers, we hired him on full time and brought him into the office to help with sales in 2014. Now he's a jack of all things fun as he still delivers and works events - all the while making sales and leaving a trail of happy customers in his wake.

Here are a few

t e s t i m o n i a l s

from some very happy clients!

"Thank you to you and your whole team of people for the great job you all did on Saturday! You pulled off a great event for us. The vendors you picked and your own team of people did an outstanding job the whole time. You helped make our event a success. Thank you for a job well done!"

- Myles / Technology Company

"Thank you for talking me last week before the event. I was VERY nervous. With your help, everything was flawless! The delivery drivers worked hard and were so helpful - great team with all three of you!"

-Tina / US Coast Guard

"The picnic was a hit and everything worked out just fine. I greatly appreciate all of your hard work behind the scenes to get things to come together. You saved us a tremendous amount of stress. And I wanted to let you know that everyone was wonderfully helpful during the whole set up and tear down processes. Thanks again for everything!"

-Amanda / Mechanical Company

"The event was AMAZING!! The Craps table was AWESOME, the Let it Ride was a big hit, and your dealers were absolutely PANTASTIC! I have heard nothing but compliments from my staff from the evening, so THANK YOU THANK YOU!! We are definitely going to be using you all again next year and I will highly recommend your company for any other future events that clients inquire about!"

-Erin / Fine Dining Restaurant

"I wish you could have been with us for our outstanding picnic. You would have been so pleased to see so many men, women, and children from the neighborhood and the thrill they had of being invited to this special community event. You had a huge part in making this picnic successful for the children. They were all so thrilled and were lined up for their turns and to hear the squeals of excitement was an absolute delight. I'm sure they'll never forget the FUN they had!"

- Mary / Church

"Thank you for making our school's event a FUN one! I wanted to let you know what a wonderful experience I had working with you. Since this was the first time I had planned this event, I had tons of questions. You were always very nice and helpful each time I spoke with you. I look forward to working with your company on next year's event!"

- Ann / Elementary PTO

"We hired Fun Services to provide the site, rides, concessions, midway games and our picnic lunch for approximately 800 people. We were extremely pleased with the quality of service we received, from the writing of the contract of all the way through to the day of the event. Everyone that we worked with made sure we had everything we needed throughout the event and everything ran smoothly."

- Joe Johnson / Technologies Company
